

UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

ORACLE USA, INC., et al.,

## Plaintiffs,

No. C 07-1658 PJH

Y.

## ORDER

SAP AG, et al.,

## Defendants

14 On January 4, 2010, the court received a letter from a Michael Pulk, of Bryan,  
15 Texas. On the same date, the court had the letter docketed as a "Received" document.  
16 See Docket No. 587. The letter had been sent express mail on December 29, 2009, but  
17 because of the New Year's holiday and the court's unavailability during that period, the  
18 letter did not reach the court until January 4, 2010.

19 The letter is not entirely clear, but it appears that Mr. Pulk is unhappy about some  
20 aspect of the conduct of discovery in this action, or more particularly, believes that some  
21 discovery practice of the parties is having a negative effect on his business.

22 The court hereby directs the parties to meet and confer regarding this issue, and to  
23 file a status report within 30 days advising the court as to how they have resolved this  
24 problem.

26 IT IS SO ORDERED.
